

DTC PATHWAY WAY

ENGLISH + MATHEMATICS+ HOSPITALITY AND LIFESTYLE

A UNIQUE LEARNING FORMULA TO KICKSTART
A SUCCESSFUL JOURNEY IN AN INTERNATIONAL
HOSPITALITY DEGREE

DTC's Pathway Program provides learning bridge to prepare students for university life focusing on interactive, immersive, fun, and engaging student-centered learning, giving them a taste of the hospitality world.

This program has been designed to help students transition from high school into higher education, in Thailand or abroad. Students entering the Pathway program work towards meeting the entrance requirements for DTC's BBA in Professional Culinary Arts or Hospitality Management.

Program

HIGHLIGHTS

Language + Mathematics + Hospitality and Lifestyle Learning

Students will enjoy learning practical hospitality skills and discovering Thai and international cultures, while boosting their English and math skills.

IELTS/TOEFL Score Up-level Focus

The programs are well designed to concretely level up students' score of the global standard English proficiency tests, for entering an international degree program.

Modular Courses

With modular courses, students can design their own learning pathway by choosing to study only what is necessary, minimum length of 9 weeks, maximum length of 1 year.

Hospitality + Culinary Arts

The program prepares students for studying in Hospitality Degree programs, with activities giving students a taste of the hospitality industry.

Student-centered Learning Environment

Students will experience university life with fun and facilitative learning atmosphere in a small class size and with opportunities to learn inside and outside classrooms.

Tailor your studies to your needs

Each student journey through the program is unique and meets each student's need, based on his or her English and Math levels.

12

students is the maximum number of English class size

1. ENGLISH

Intensive English courses develop the student's skills in the areas of listening, speaking, reading comprehension, and written expressions in the academic setting.

The three levels* are progressively designed to concretely level up students' score of the global standard English proficiency tests.

- Level 1: Fundamentals of English 1
- Level 2: Fundamentals of English 2
- Level 3: Fundamentals of English 3 + Test Preparation for TOEFL ITP

*Placement in a level is determined based on admissions exam result

2. MATHEMATICS

Math 1 and 2 are designed to help students progress through math concepts and skills. They provide students with the foundation in basic math skills, and introduce real-world examples and applications of the mathematical concepts relevant to hospitality industry.

- Level 1: Intensive Mathematics 1
- Level 2: Intensive Mathematics 2

*Placement in a level is determined based on admissions exam result

3. HOSPITALITY & LIFESTYLE

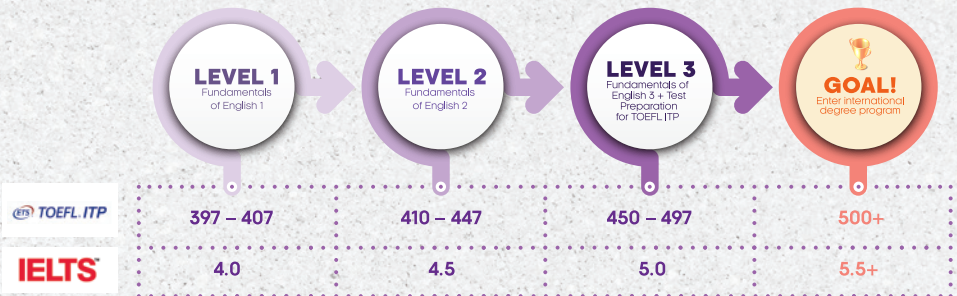

This course exposes the students to an immersive learning experience covering practical and fun hospitality and life skills.

Course Highlights :

- Born Digital
- Surviving University
- Coffee Culture
- Temples, Tigers and Thai
- Passport to the world
- Movies, Music and You
- Preparing for Success
- Cakes and Bakes
- Eat Well, Live Well
- Getting My Message Across

YOUR PATHWAY TO INTERNATIONAL EDUCATION

STUDENT TESTIMONIALS

“Pathway program was my mentor study program to get into DTC, it's like a rescue key to open a door, the door that I wasn't able to open by myself.”

Liaq – Kamelia Ferdousi
(Bangladesh)
International Hospitality Management Student

“It was inspiring when I joined the Pathway Program. It taught me basic skills in English, and I learn a lot from it. It improved my attitude and grades, and I am truly grateful.”

James Thein Hlaing Win
(Myanmar)
International Hospitality Management Student

“The experience was more about getting to know my classmates and teachers. It helped me not to be awkward during the Inspiring Hospitality Leadership (IHL) week and when the semester started.”

LF - Tawan Max Bilney
(Thailand)
International Professional Culinary Arts Student
