Recommended Books

Eyewitness Travel Guide to Thailand: A colorful and thoughtfully arranged guide provides easy access to Thai history and culture, religion and politics, music, sports, and festivals. With lists of hotels and restaurants, information on shopping, whitewater rafting, golf, diving, Thai massage, and lots of maps and pictures. And practical and beautiful guidebook.

Reference: Henley, David., & Andrew, D. W. (1997). *Eyewitness Travel Guide to Thailand*. DK Publishing.

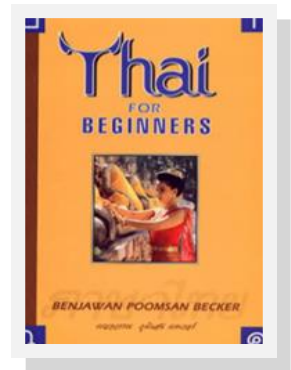

Lonely Planet Bangkok: The book gives an endless supply of information on Bangkok - culture, history, accommodation of all range of styles and budget, transportation by the river, taxi and Sky Train. It is a must source for planning on visiting or living in Bangkok.

Reference: Cummings, Joe. (2001). *Lonely Planet Bangkok* (5th Ed.). Lonely Planet Publications.

Thai for Beginners: Thai for Beginners teaches the basic four language skills - speaking, listening (with the tapes), reading and writing. The first part of each lesson teaches vocabulary and sentence structure. A vocabulary list with Thai spelling, transliteration and definitions in English appears at the beginning of each chapter.

Reference: Becker, Benjawan, Poomsan. (1995). *Thai for Beginners* (1st Ed.). Paiboon Publishing.
