

Dusit Thani College Moving Forward to 2030

Our Vision

A leading dedicated institution that delivers an **excellence in Thai hospitality** to enhance **sustainable educational development** at the international levels.

Our Mission

We enhance our people's capabilities and potentials to become **competent professionals and innovators with life-long learning** in the international hospitality and culinary arts industry.

Our Education Philosophy

Our educational philosophy aims to cultivate learners and graduates with relevant **knowledge, skills and hospitality characteristics** to encourage the ongoing and self-motivated pursuit of competency for either personal or professional reasons.

Our Identity

Proud of our Thai heritages, uniquely delivering gracious hospitality to the world
